

# ARCHITECTS' CORNER

## STEVE DUMEZ, FAIA

Owner  
*Eskew+Dumez+Ripple*  
 New Orleans

■ **PRODUCT:** We're not yet using a lot of photovoltaic systems, but as the technology develops, we keep looking for opportunities.

■ **PRACTICE:** We try to use sustainable design in all our projects, even when our clients don't ask for it.

■ **PERSONAL:** I studied drafting in my junior high Industrial Arts class and our teacher predicted I would become an architect.

## INTERIOR FINISHES, FURNISHINGS
