EQUIPMENT

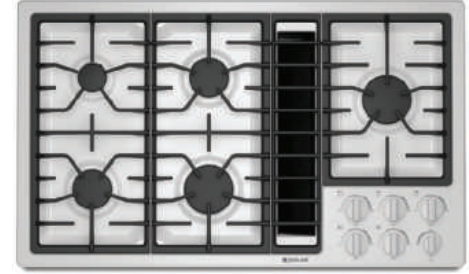

DUCT-FREE DOWNDRAFT

NEW

Jenn-Air

▲ Continuing its position as a pioneer in the industry, Jenn-Air is introducing the only duct-free downdraft cooktop which makes it possible to install a downdraft ventilation system in any home—even a high rise or condo. In addition to the exclusive installation option, these cooktops have been optimized for exceptional cooking and ventilation performance, culminating in the industry's best-performing ventilation system.*
