

MECHANICAL SYSTEMS, HVAC, PLUMBING

THE NEVER CLOG DRAIN

\$ | G | NEW

PF WaterWorks

▲ Permaflow eliminates chemicals, risks, and hazards; reduces water pollution; conserves water, resources, time, and money.

Product Application:

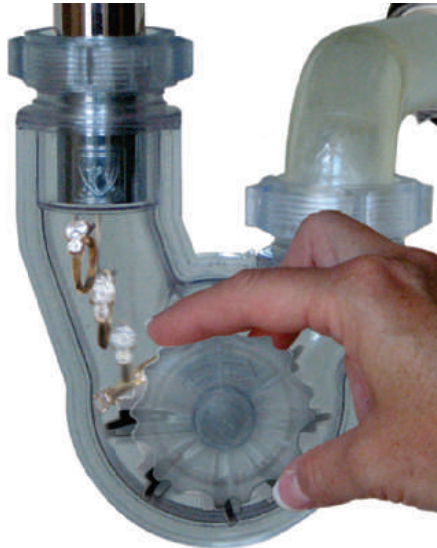

- Independence Station, world's greenest building, OR
- PATH Concept Home, Charleston, SC

Performance Data:

- Self-cleaning design increases turbulence to prevent clog build-up.
- Integrated wiper removes blockage and helps retrieve accidentally lost jewelry.

MECHANICAL SYSTEMS, HVAC, PLUMBING

WATER-SOURCE HEAT PUMPS

\$\$\$ | G | NEW

ClimateMaster

▲ The award-winning Tranquility series raises the bar for water-source heat pumps. Not only does the Tranquility 16™ exceed ASHRAE 90.1 efficiencies, but it also uses EarthPure® HFC-410A zero-ozone-depletion refrigerant.

Product Application:

- Will easily fit into tight spaces
- Backward compatible with thousands of older water-source heat pumps

Performance Data:

- Eligible for additional LEED points
- Galvanized steel construction
