MATCHING INTERIOR & EXTERIOR DOORS

\$\$\$

JELD-WEN Windows & Doors

Custom fiberglass exterior door, Classic collection, mahogany finish

▲ A grand entry doesn't have to end at the front door. Continue the beauty throughout the home with complementary interior doors. JELD-WEN custom fiberglass entry doors are engineered for lasting durability, a realistic wood grain, texture, and color. JELD-WEN passage, closet, French, and bi-fold interior doors are available in similar styles, wood grains, and finishes to complete the whole house package.

Product Application:

- Custom fiberglass doors are not limited by exposure or overhang and can be used in any exterior application
- Custom wood interior doors come in matching wood grain and similar finishes to carry your design theme from entry into the rest of the home

Performance Data:

- Custom fiberglass doors with a Permalane finish enhance the natural characteristics of the realistic wood grain and provide extra protection against extreme environments
- Engineered internal construction for lasting reliability
- Durable multi-step factory finish available
