ROLLING STEEL DOORS

McKeon Rolling Steel Door Co., Inc.

▲ McKeon Door is a full-line manufacturer of coiling grilles, doors, fire doors, and custom-engineered closures. Their emphasis on special-purpose fire door systems has provided architects and design professionals options and product performance not previously available. Such product innovation includes vertical and side-acting fire doors providing fire and smoke protection while allowing for emergency egress as well as horizontal coiling fire and smoke shutters for applications such as atrium separation.
