

The Genuine. The Original.

Industry-leading door system solutions

Overhead Door Corporation pioneered the garage door and operator industry, inventing the first upward-acting garage door in 1921 and the first electric door operator in 1926. Through superior craftsmanship, innovation and engineering excellence, we've extended our industry leadership, continuously providing the highest quality products and service.

- Comprehensive commercial and residential product lines
- World-class technical support
- Expert nationwide product support

To request an Architectural Design Manual, or information on any Overhead Door Corporation product, call **1-800-929-DOOR** or go to www.OverheadDoor.com.
