## WINDOWS FOR NEW CONSTRUCTION

## Simonton Windows®

▲ Simonton ProFinish® Brickmould 600 Series of new construction windows features a versatile brickmould that can function as a J-channel for both vinyl siding and brick applications. Options include double hung, 2-lite slider, and awning windows with either white or driftwood vinyl frames. Woodgrain interiors, external PVC grids resembling simulated divided lites, and flat casing external options are all available.

## Performance Data:

- All windows in the series are ENERGY STAR® qualified
