LOUVERED SHUTTERS

Willard Shutter Co., Inc.

▲ Willard Shutter Company, Inc. offers aluminum sunshades and storm shutters like the Islander Bahama Shutter pictured here. These louvered shutters are custom made to resemble traditional wooden shutters and can be easily installed to enhance the appearance of any residential, commercial, institutional, or military building. Their durable construction ensures a long-lasting and low-maintenance life. The product line includes Bahama shutters, hinged shutters, decorative shutters, sliding shutters, accordions, roll-ups, storm panels, etc.

MODERN LEVERS

WR | NEW

Omnia Industries, Inc.

▲ Omnia introduces an expansion to their line of esteemed stylish levers. These new pieces are designed with more movement than the existing models, offering a softer, more fluid look to the contemporary scheme. The eight levers are the perfect choice for anyone who appreciates modern design. All are affordably priced and are available in four fashionable finishes: polished chrome, satin chrome, oil-rubbed bronze, and satin nickel.
