

DO YOU WISH THERE WAS A SINGLE SOURCE OF COMMERCIAL-GRADE DOOR HARDWARE FOR YOUR LATEST ARCHITECTURAL PROJECT?

Yes. And when you think of a single source, you think of somebody that can help you with security requirements, provide continuing education and specification writing services, supply and install the architectural door hardware, as well as offer around-the-clock preventive maintenance and emergency repair services, right?

Of course. Well, you have to wish no more, Stanley Security Solutions is here!

ONE COMPANY...

STANLEY
Security Solutions

...MULTIPLE BRANDS WITH A PROUD HERITAGE

We deliver truly complete security solutions customized to your needs and your customers' needs:

- SpecCentre® Services for preparation of construction documents
- Stanley Learning and Innovation Center for advanced education programs
- Comprehensive portfolio of ANSI/BHMA certified, UL Listed mechanical products, electromechanical products, and security management systems
- An extensive network of field offices and highly qualified service technicians

Give us the opportunity to show you what we can do with your most demanding security, safety, and access requirements!
