

Dodge with PDM Pro is just a better way to bid:

Compiling your bids has never been faster or easier. Dodge with Project Document Manager (PDM Pro) enables you to quickly find the right projects and manage the entire prequalification and bidding process easily.

Save Time. Save Money.

“
Construction firms always look to drive greater efficiencies. With PDM’s contact management and prequalification tools, Lebolo has been able to consolidate databases, allowing us to maintain a consistent, up-to-date list of prequalified subcontractors and suppliers. The savings in time and money are real. In the first year Lebolo saved over \$300K in bidding costs.”

- Randy Lebolo
President
Lebolo Construction
Management

- Faster and more accurate with project and contact details through Dodge
- Better decisions – easily compare qualifications to select the right people
- Reduced risk with tools and insights to better qualify subcontractors
- Time saving Invitation to Bid (ITB) creation and distribution process
- Greater flexibility and ease in managing process
